

# RYOBI Airwave Nailer / Stapler

[Home and lifestyle products](#) [Office supplies and stationary](#)

## The Hazard!

The work piece contact element can bind in a compressed position, allowing the nail to be discharged by activating the trigger alone rather than the intended two step activation process, posing a risk of potential laceration.

## What to do...

Immediately stop using the Ryobi Nailer(s) and refer to the following next steps:

- When possible, please return the product to a Bunnings store to obtain a full refund of the purchase price paid for the product
- Please contact the RYOBI customer service team on 0800 279 624 or email [recall@ryobi.co.nz](mailto:recall@ryobi.co.nz) to advise RYOBI that you have purchased this product.
